

SES January Newsletter 2019

Welcome back! We hope you enjoyed a wonderful Christmas and a restful break! We are excited to kick off the second half of the year and invite you to join us as we walk in faith in the month of January. We will celebrate our Epiphany mass at St. Mary's Parish on Wednesday January 9 and we will be participating in the Adoration of the Blessed Eucharist on January 15. We invite you as parents to join us as we begin with a liturgy and then students will have an opportunity to spend time in peaceful reflection throughout the day. We will continue to have opportunities for prayer until 4pm and invite you to join us after school.

Our Pre-Kindergarten and Kindergarten registration opens online on Monday January 14. Registration forms can be accessed via our St. Elizabeth Seton School website. If you have any questions on how to access these forms please call the office this week.

Please consider joining us for a *Family Movie Night* on Thursday January 31 at 6:30pm in the gym. We will be asking for movie suggestions in the coming weeks and hope that you will bring your pillows, blankets and snacks and make an evening out of it.

Please also find information attached regarding Before & After Care with the Red Deer Child Care Society for *students in Grades 1-5*. We are responding to parent inquiries about having this program available at SES. The first step in determining whether this is possible or not is by having parents respond back via a needs assessment. If you are interested in this, please complete the attached form and return it to the school prior to January 25th.

Please continue to check into Edsby to view your child's progress online. As we move through the next 7 weeks of learning before the February break, teachers will have lots of information to share with you! We will begin our February break on the 23 and students will resume classes on March 4.

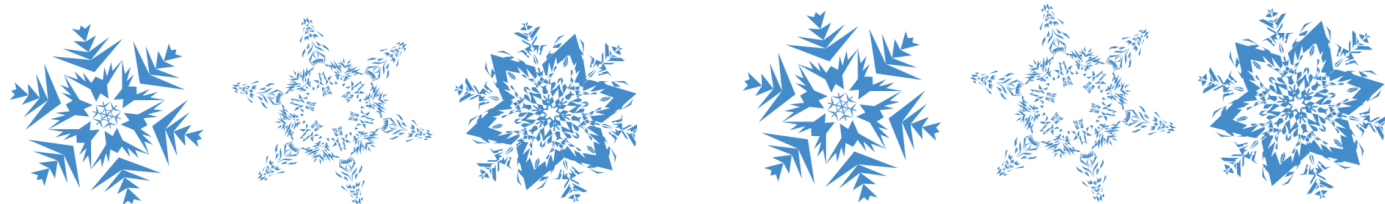

As you are aware we made a significant change to our bus parking effective Monday January 7. We are hopeful that by having additional space on the northside of the school, on Anders Street, that we can alleviate the congestion on Addinell Avenue. **Please consider changing your drop off and pick up current practice to help with this.**

Yours in Christ,

Sinead Armstrong
