

# SES February Newsletter 2019

Welcome to February! The month of love... Our focus at St. Elizabeth Seton this month will be how we share the gifts of love and kindness with our friends, family and classmates. Our Kindergarten students will lead us in the Love celebration on Thursday February 14 and we welcome you to join us at 9am.

February is busy with MANY activities! Our Heath Champions will lead us in a Winter Walk Day on February 6 with all classes heading out to walk in the afternoon. Our School Council is sending classes to a performance of "Do You Wanna Dance" on February 7 which is an awesome fine arts opportunity for our students. We will again participate in the Canada wide "Anti-Bullying Pink T-Shirt Day" on February 23 as we celebrate Random Acts of Kindness Week from February 19th - 22nd. Our winter break begins on February 22 and students will be off until March 4.

*THANK YOU to all of you who have consciously changed your pick up or drop off route, who have adhered to our request to really watch parking in front of the crosswalks or blocking driveways, who aren't pulling u-turns in front of the school and who help us each and every day keep our children safe.*

*We have made progress over the past month but we still have some work to do. Our supervisors are doing a great job helping students understand the importance of safety but we need your help as well. In the coming months, we are committed to providing a refresher for all students on the importance of traffic and street safety.*

Our Grade 5 students have begun their Grade 5 basketball program and have already played one game. They are working hard to develop their skills and to improve their ability. Please check the website for a complete list of game dates and we invite you to come and cheer the kids on!

Thank you for continuing to keep informed on your child's academic growth with EDSBY. Our teachers are working hard to provide timely and targeted feedback on the learning that is happening in your child's classroom and how you as a parent can support their learning at home.

We look forward to a great month ahead! We are hoping for mild weather and more snow so we can continue to enjoy the outside! As always - we thank you for your support and our door is always open to sharing your voice if you have any questions or concerns!

Yours in Christ,

Sinead Armstrong
